

Request for Proposals: Conference Speaker

Organization: The Alliance to End Human Trafficking
Conference: Changing the Story: Prevention through Intervention

Date/Location: April 21-22, 2027/Washington, DC
Proposal Deadline: December 11, 2026

About the Conference

The Alliance to End Human Trafficking is seeking an engaging and knowledgeable speaker for our annual conference which brings together nonprofit professionals, social workers, faith leaders, educators, policymakers, survivors, service providers, and others to learn, connect, and strengthen their work to end human trafficking.

Speaker Opportunity

We are seeking speakers to deliver breakout sessions that will inform, inspire, and equip participants to take meaningful action.

The presentation should:

- Connect clearly to the conference theme and audience.
- Offer relevant insights, practical strategies, or tools.
- Engage participants through an interactive or compelling presentation style.
- Provide concrete takeaways that participants can apply in their work.

Potential topics include the following, though we welcome other proposals that align with the conference theme.

- Technology and human trafficking/sextortion
- Parenting tools
- Education and human trafficking
- Insights into direct services/survivor care

Desired Qualifications

The ideal speaker will have:

- Expertise or significant experience related to the proposed topic.
- Experience speaking to professional, nonprofit, community, or similar audiences.
- Strong presentation and audience-engagement skills.
- The ability to translate ideas or expertise into practical action.

Proposal Requirements

Please submit:

- Speaker bio and contact information
- Presentation title and 150–300 word description
- Three to five learning objectives or key takeaways
- Brief description of relevant speaking experience
- Speaking fee and anticipated expenses, if desired.
- Links to previous presentations, if available

Selection Criteria

Proposals will be evaluated based on:

- Alignment with the conference theme and goals
- Relevant expertise and experience
- Quality and relevance of proposed content
- Audience engagement
- Practical and actionable takeaways
- Overall value and proposed fee

Submission

Please submit proposals by December 11, 2026 to:
